BUD LANDS

Seppo singer Halsey takes us to boob country!

YOU'VE gotta feel for spunky pop star **Halsey,** whose debut 2015 album *Badlands* missed out on going to No. 1 in Australia and the USA by THIS MUCH.

But the 21-year-old made up for it big-time recently by attending the MTV Video Music Awards in New York City in a CURVE-HUGGING jumpsuit that left totally FUCK-ALL to the imagination.

And now that the citizens of Australia and the USA have seen EXACTLY what the New Jersey-born phenom – who's worked with Justin Bieber and DJ duo The Chainsmokers – has to offer, her next CD is bound to chart higher than No. 2.

Hey, you know we'd GIVE HER ONE.

RIGHT AS RAIN!

Anal porn queen stretches her talent

PHOTOS BY HARD X

WHEN people see **Megan Rain** the first thing they think is, “Jeez, she’s the spitting image of Megan Fox from *Teenage Mutant Ninja Turtles*.” And the second thing they think is, “She’ll never fit that huge cock in her arsehole…HOLY FUCK! She did it!!!” We caught up with the petite 20-year-old porn star for a brief chat on the set.

HELLO, Megan. You remind us of a certain Hollywood actrine. Is that how you came up with your stage name?
“My friends always say I look like Megan Fox so I figured the name Megan fits me. I went through tons of surnames – star, moon, thunder, storm, etc – but I liked Rain. Megan Rain. Make it rain? It sorta fit, I thought.”
You’re a buggery superstar. How DO you manage to fit ginormous penises in such a tiny hole?
“You go onto the set thinking you can and YOU CAN. It’s mental, it’s mind over matter. In my personal life, I like vaginal sex, but on camera I prefer anal.”
Is it true bigger cocks are easier to deal with, spunky?
“Yeah, the big ones are softer. The small ones are super-hard and more difficult to deep-throat. The small ones don’t bend as much, so they just ram the back of your throat instead of bending down it.”

‘BIG COCKS CAN BE EASIER ’COS THEY’RE SQUISHIER’

What gets you hot during a fuck?
“I like foreplay – do oral and play with my ass. Sex isn’t always just about sex…it’s about the build-up. I love the build-up.”
Favourite way of doing the deed?
“This is a hard question, because every dick fucks you different. Some feel better on your side, some feel better in doggy. It depends!”
You’ve done a lot of kinky things in your career. Any plans of slowing down?
“No, I want to get more extreme. Nastier!”
We’re turned on AND frightened by that thought.

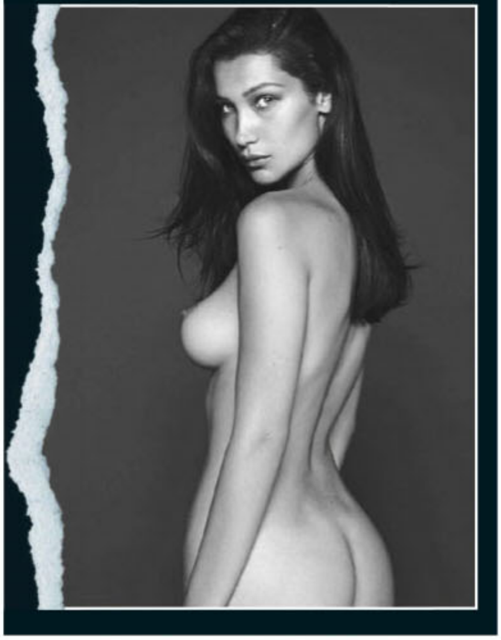
BOAT SHOW

PORTUGAL'S top catwalker, Sara Sampaio, 25, doesn't do holidaying by halves. The Victoria's Secret Angel's getaways involve GIANT luxury yachts parked off St Tropez, France by their squillionaire owners. They also involve designer swimwear that Sara doesn't let stand in the way of TANNING HER TATAS.

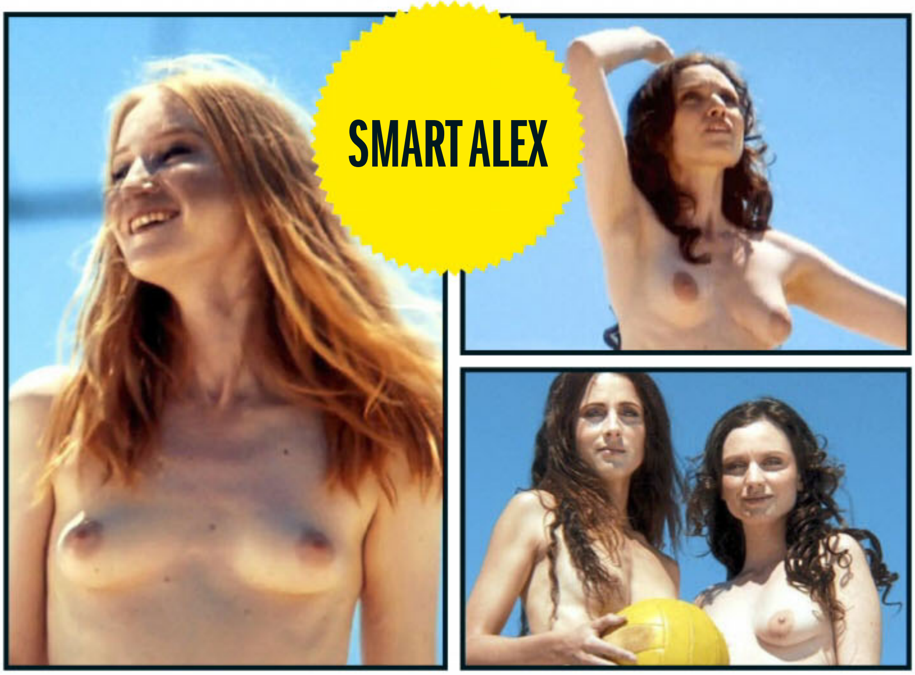
BARE FRANCE

WOW, BELLA!

NOT long ago, the fashion world was going crazier than a MORTEIN'D COCKROACH for Gigi Hadid, but now the American model is being eclipsed by her little sis. Gorgeous 19-year-old Bella Hadid's latest coup was this Mert & Marcus shoot for the September ish of French *Vogue*. Alas, they overdid it with the clothing. Had we been the stylists, we'd have ditched that COMPLETELY UNNECESSARY garment around Bella's waist.



SMART ALEX



VOLLEY BELLES

IF YOU want peeps to pay attention to your dance track, simply follow the example of French popster Alexandre Chatelard. First, name the song after a fellow artist to cause CONFUSION/CONTROVERSY. Second – and this is the important part – make sure the clip contains weirdness and female nudity. In Alex's *Lenny Kravitz*, old men resuscitate topless sheilas and play BEACH VOLLEYBALL with them… then the gals turn into fish. Probably best to hit rewind when you reach that bit.

PLAYBOY
SUZY CORTEZ

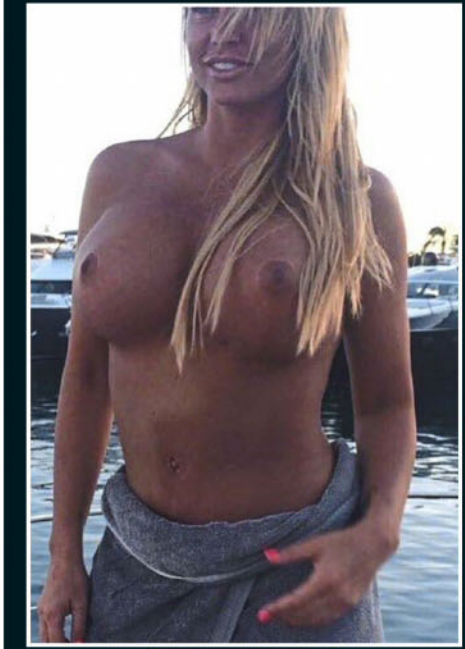
FOOTY CALL

YES, MEXI-CAN

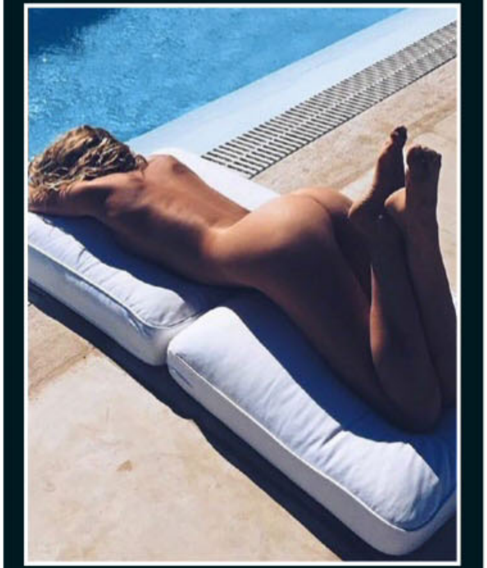
BRAZIL'S Miss Bum Bum **Suzy Cortez**, 25, has paid a visit to Mexican *Playboy* for a sports-themed pictorial lensed by Rodolfo Noyola. Speaking of sports, Suze is mad for Spanish soccer side FC BARCELONA and star player Lionel Messi – regularly posing in a Barca jersey bearing his name and number. And little else. Leo's missus has supposedly BLOCKED Ms Cortez on Instagram. Bet he hasn't!

SHARING THE LOVE

The freshest flesh on celebrity social media

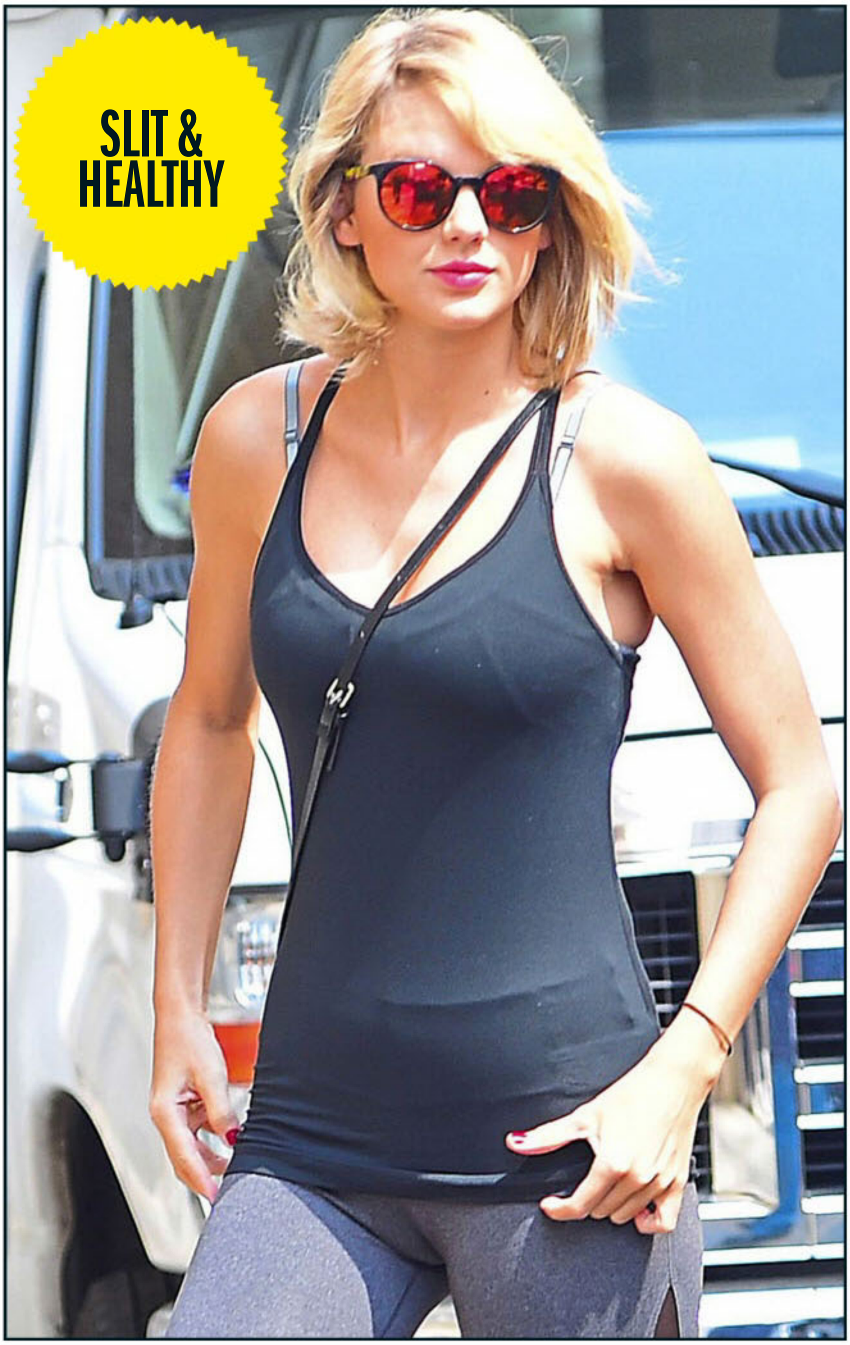


Pommyland's **Katie "Jordan" Price** shared her newly upsized breasts, then deleted the post. Too late, old mate!



Sure, it's a somewhat unorthodox sunbaking technique, but it works for Swedish basketballer-turned-clotheshorse **Elsa Hosk**.

SLIT & HEALTHY



TAY'S VEEJAY

IT'S like a bizarre episode of *Lip Sync Battle* where Taylor Swift is competing against herself, readers. How else to explain the 26-year-old warbler's second NINJA BOOT in as many issues of *People*? Not that we're complaining. We'll never grow tired of admiring Tay in revealing gym gear – or of imagining her out of it!

SCHMICK SHAYK

GQ
IRINA SHAYK

THE STARK SIDE

YEAH, the Mario Sorrenti pics are extremely dark and moody, but if you can't make out ROUGHLY 93% of supermodel **Irina Shayk**'s splendiferous starkers bod, you're not really trying. Apparently, when 30-year-old Irina was growing up, she wished she was A BOY. Just as well there are no genies in Russia, right?

TOUGH LOVE

STONE COOL STUNNA

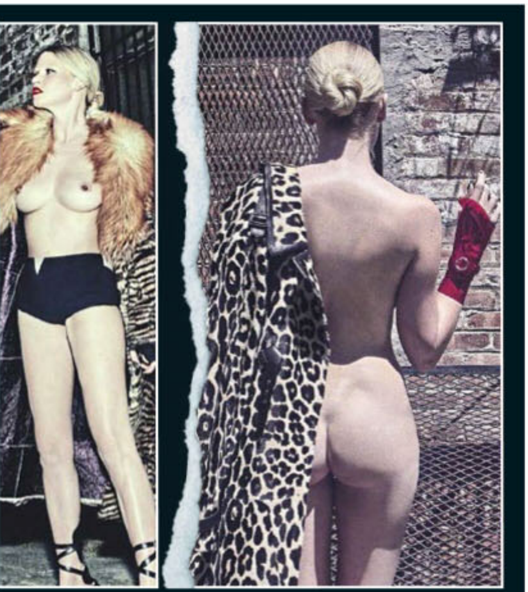
VOGUE
WHEN SPORT MEETS FASHION

SUPERHEROINES are hot property at present, which may have been the inspiration for Steven Klein's snaps of **Lara Stone** lifting heavy stuff and looking FIERCE AS FUCK in Italian *Vogue*. The 32-year-old Dutchwoman is among many stylish slebs who cameo in *Absolutely Fabulous: The Movie*, in which she slams main characters Eddy and Patsy through a GLASS COFFEE TABLE. Um, that second part could be a fib.

FAR-OUT EAST

SLUMBERS & WUMBAS

JAPANESE arthouse flick *While The Women Are Sleeping* is about a writer who spies on a mysterious old dude with a CUTE YOUNG GIRLFRIEND. The title refers to said oldster's habit of filming his partner while she's having a kip. ANYWAYYYY, we believe this is actrine **Sayuri Oyamada**, 41, who plays the writer's wife. Cripes knows what she thinks of all the sneaking around. We'd ask her but she's snoozing under a hat.



KATY KISS

SCARLET bombshell Katy Kiss is from down Louisiana way and only kicked off her porn career in 2016, the same year she turned 23. While some XXX-ers start slow with, say, a tickling video, Miss Kiss hasn't wasted any time in starring in such titles as *Stepdaughter Swap, Ginger Orgy, Suicide Squad XXX* and *My Wife Caught Me Assfucking Her Mother 9*. Strewth.

TAKES

These deceptive photos will make you look twice!

DESPITE what some smartarse once said, the camera DOES lie on occasion. You'll see a snapshot, spit your beer everywhere and say, "What the holy fuck..?!"

And then you'll take a second, closer look and realise that you've been completely fooled by a clever optical illusion.

That woman's bare bottom is actually HER BOYFRIEND'S ELBOW.

And those "antlers" growing out of the dog's head are actually some DEAD TREE BRANCHES behind it.

It's amazing how the naked eye can be fooled sometimes, eh?

Like when we send those DICK PICS to your girlfriend's mobile – the contents are actually MUCH smaller than they look in the photos.

But how does the poor bastard poop?

FLUNK ME HARD!

IF YOU'RE bombing out in university there's only two options to improve your situation. For the vast majority of folk, they stop pissing on at the uni bar, knuckle down with the study books and work their bums off to improve those poor grades.

Or…if you're Lilianne (**Elsa Jean**, below) you set your sights on that pesky older college professor (**Marcus London**) who wants to fail you and set out to seduce him. Which is what Lil does in ***Devil Inside***.

The wicked minx then BLACKMAILS teach to give her better grades – and a cool $5000 – or she'll reveal their sordid affair to his wife (**Alexis Fawx**, right) and destroy his marriage.

Will her evil-but-sexy plan work or will Lil's scheme come a cropper?

Hell, if she can handle London's ALMIGHTY ERECTION, then she can handle anything!

Naturally, at some point Elsa (left) and Alexis lock labia lips

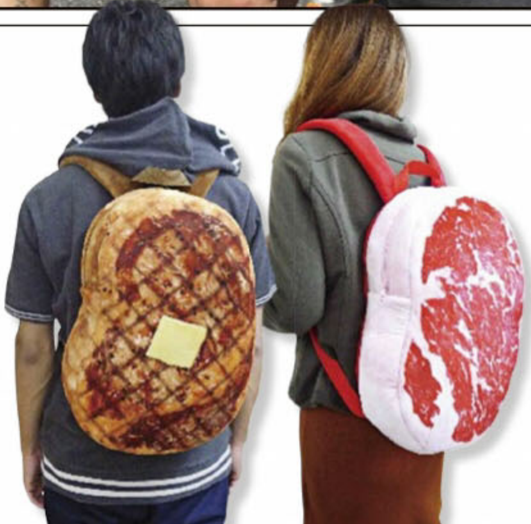
BIG APPLES

It was Go Topless Day in New York City recently and the bare baps in the Big Apple were everywhere. Similar events were held all over the world, including Byron Bay. These are the kinda causes *People* is only too happy to support!

OH DEER! OH DEER!

MORE than 300 wild reindeer were killed last month after being struck by A BOLT OF LIGHTNING! The poor critters were zapped while migrating through central Norway. It's believed to be the largest number of animals ever killed by a single lightning strike. So the lesson for today, readers? Mother Nature can be very FUCKING SCARY.



MEAT PACKERS

NOT sure whether this will become a must-have item in Australia this summer, but a Japanese store is making a fortune selling backpacks that look like MEAT. Village Vanguard also sells mouth-watering meat pantyhose and cushions. Buy some today and piss off your vegetarian mates.

Tits are tops. And topless one are THE TITS!

FUCK-OFF FACTS

- *Guinness World Records* has recorded an incident in Australia where 68 cows were killed by a lightning strike on a dairy farm in 2005.
- Quirky pop star Lady Gaga famously wore a dress made out of raw beef at the 2010 MTV Video Music Awards.

That reminds me...I have to buy some beef jerky tonight!

DIAMOND GEEZER

SAY howdy to Mbah Gotho who, if Indonesian civil records are correct, is officially the world's oldest man at 146! Born on December 31, 1870, Mbah has outlived four wives and his children. Hey, you know what they say, mate, life begins at 150.

LOO IDIOT!

FIREFIGHTERS didn't know whether to laugh or vomit when they found Cato Berntsen Larsen stuck in a public toilet in Norway. He'd climbed down the dunny to retrieve a friend's mobile from the tank underneath, then found he couldn't get out. Cato stood thigh-deep in poo and piss for hours till he was rescued. Worse still, he never found the phone!

MIA MALKOVA

X-rated Seppo Mia planned to quit the JIZ BIZ in 2014 when she married big-dicked co-star Danny Mountain, but then changed her mind. Clearly, she had more Mountains to climb.

WITH so many viewing options available these days, it can be hard deciding which new show or flick is most deserving of your time and moolah. Unless, that is, you do what we do and base your choice on whether there are any DEADSET STUNNAS in the cast. Sure, it's a shallow selection method, but it does guarantee that even if the plot, directing, sets, music and all of that other jazz are UP TO SHIT, you'll still reach the credits with a grin on your dial. And at this moment in time, you won't find any more must-see TV series, Hollywood movies or pornos than those starring the following 25 actrines – and their FIVE-STAR BODIES.

OT

IST

MARGOT ROBBIE

True-blue honey Margot stole the show recently as HARLEY QUINN in superhero flick *Suicide Squad* with her combination of crazy hijinx and insane sexiness.

RILEY KEOUGH

Critics have called 2016 series *The Girlfriend Experience* “daring” and “bingeworthy”, credit for which must go to sizzlin’ Riley, grand-daughter of ELVIS PRESLEY.

ALICIA VIKANDER

Jason Bourne shoulda featured less computer surveillance crap and more Alicia. Fortunately, we spied PLENTY of the Swede in *The Danish Girl* (2015).

ELIZA DUSHKU

Buffy, *Angel*, *Tru Calling*, *Dollhouse*, *Big Bang Theory*... Eliza could ride the nerd convention gravy train forever. But, bless her, she’d rather go BUM OUT in a 2016 episode of *Banshee*.

RACHAEL MADORI

The new tattooed queen on the porno block is this 23yo Brooklyn native, who likes to offer her booty to willing schlongs in BEAUT FILTH like *Ole For Anal* and *Ass Candy*.

ANA DE ARMAS

Ask anyone who saw it the best thing about *War Dogs* and they'll say Ana. In 2015's *Knock Knock*, the Cuban cutie showed us her KNOCK-KNOCKERS!

FREEMA AGYEMAN

As *Doctor Who*'s Martha, Brit spunk Freema had the dads tuning in regularly. As the SAPPHICALLY INCLINED Amanita in ongoing series *Sense8*, she had 'em hitting record!

RUBY ROSE

We were so dinkum delighted by Aussie Ruby's acclaimed 2015 turn on *Orange Is The New Black*, we ate DAMPER'N'GOLDEN SYRUP washed down with billy tea.

ALIX LYNX

If you want to get a real...er, TASTE of what New Yorker Alix is all about in porn, we recommend you grab a copy of her new flick *Cum Drunk Slave*.

OLIVIA WILDE

HBO drama *Vinyl* is about the record business in the SEEDY SEVENTIES. Nah, not really. It's actually about Liv's fine naked bod and adorable fake pubes.

ABIGAIL MAC

If you wanna sink your teeth into this big Mac off an adult fillum set, then heed her words: "For me, sex is all about CONNECTION and emotion."

PENNY DREADFUL

EVA GREEN

Some say *Orphan Black*'s Tatiana Maslany is TV's top actress. Alas, she's a "nudity dodger". Eva is equally skilled, plus she's SHED THREAD on *Penny Dreadful*.

BLAKE LIVELY

Why the great white fark would you watch a shark film that wasn't *Jaws*? In the case of newie *The Shallows*, 'cos it focuses on BIKINI-STRETCHING golden gal Blake!

EDYN BLAIR

This good ol' gal from America's Deep South has our TROUSER REDNECKS riveted thanks to new releases like *Young Hairy Muffs: Jungle Between The Legs*.

SKIN DIAMOND

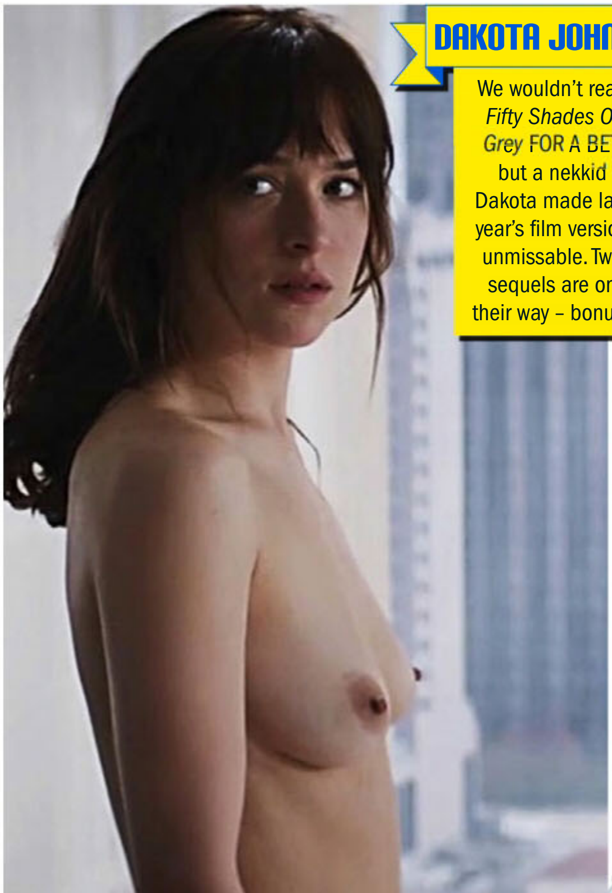
Best known for playing Storm in Axel Braun's X-rated Marvel parodies, Skin's getting a mainstream rep these days for her AROUSING EFFORTS in TV's *Submission*.

EMILIA CLARKE

When Pommy Em announced she'd no longer be FLASHING SKIN in *Game Of Thrones*, we wept. When she broke that vow in season six, our cocks cried tears of sticky joy!

EMMA MAE

This Hawaiian hottie has been an underrated cracktress since 2010, but is now finally getting some long-overdue credit for her amazing bonking skills.



DAKOTA JOHNSON

We wouldn't read *Fifty Shades Of Grey* FOR A BET, but a nekkid Dakota made last year's film version unmissable. Two sequels are on their way – bonus!

STELLA COX

Cox is her surname and COCKS are this Italian-born spunk's game! Check out her... ahem, STELLA work in *Sherlock: A XXX Parody* and *Up That White Ass 6*!

OLIVIA MUNN

Our *"Hollywood Royalty" Diamonesk® Ring* was inspired by the famous diamond ring worn by Hollywood icon Elizabeth Taylor, which she received as a gift from her husband. Our ring beautifully captures the elegance and Hollywood charisma of the original design that inspired it. SKY HIGH

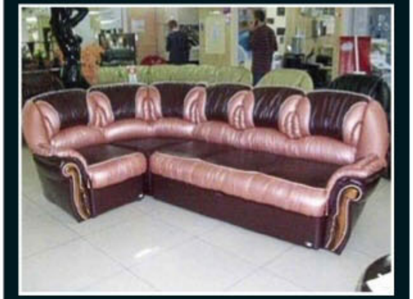
I REALLY liked 22-year-old Model Citizen Sky from your May 9 issue. Even more than her pretty face, I LOVED her natural, milky-white mams. Her areolas were nice and round, too. Any chance you could make an old bloke very happy by running her in the mag again?

Mick, NSW

Try this unpublished shot on for size, Mick. We were big fans of Sky's natural look as well, not to mention her no-bullshit approach to sex: "If I'm not cumming, YOU'RE not staying."



THINGS THAT LOOK LIKE GENITALS

IT'S the couch of many uses, reckons **George of Qld**. Given that it appears to feature at least five FULLY FORMED vadges, we can assume the designer had a thing for female anatomy. Or he/she was clueless. Either way, HOORAY!

HOLIDAZE

PACKING IT

SO I'M going away for a two-week holiday to Bali soon and wondered what might be good to pack. It's my first overseas trip WITHOUT THE PARENTS and I'm a little worried about being out there on me own, so to speak.

Richo, WA

Take two packs of CONDOMS and a third for good measure, son! But seriously, as long as you've got your passport, wallet (with a credit card) and mobile phone, you can buy anything else you realise you've forgotten. Hope you have a ripper time and come back with a shitload of funnies to share!

FLIGHT CLUB

IS IT OR AIN'T IT?

MY FLATMATE will argue until he's blue in the face that darts isn't a PROPER SPORT and that the players aren't athletes. I disagree, 'cos I reckon it takes a huge amount of skill and fair amount of stamina. Opinions?

AP, ACT

We agree with you, AP. Darts is the sport of kings! Well, the OTHER sport of kings. Dare your flatmate to enter even a social darts competition and see how bloody well he does!

BAR SWAPPING

WHEN I was younger, I'd always find a spot at my local where I could perv on EVERY CHICK who walked into the joint. Nowadays, I'm happier propped up at the bar, talking shit and joking with my mates. Where do youse like to park yourselves?

Quibby, Vic

Our routine has also changed over the years, Quibby... Saturday to Thursday, we'll be at home in front of the telly with the missus. But on Friday – aka THANK FUCK IT'S PUB NIGHT – you'll find us somewhere between the Keno and the beer taps. We still keep an eye out for hot sheilas, but.

DEAD THIRSTY

WEIRD SPIRITS

WHY do teenagers like DRINKING IN EFFIN' GRAVEYARDS so much? There's one down at the end of our street and the cops are regularly chasing them out of there on weekends. I don't get the appeal.

Nev, NSW

Can't say we know the answer to this one, Nev. MAYBE the attraction is that it's usually a quiet spot where they won't be bothered...until the dead rise again in search of a boozy beverage!

JANA JORDAN | 30 | SAN ANTONIO, TEXAS

FORBIDDEN

WHEN joyful **Jana Jordan** isn't MASHING STRAWBERRIES on her beautiful body – and allowing grateful punters to lick the fruity remains off that perfect body – she's playing drums in Pajamaband, the pop-punk band she formed a few years back.

Or she's cheerfully FUCKING OTHER CHICKS for money and porno fame.

Yep, life doesn't get any better for this twisted Texan.

In fact, life's so good for Jana that it's near-impossible to pin down ▶

the multi-talented blonde for a one-on-one interview.

And stealing quotes from her Twitter account (@JanaGhost) is pointless 'cos the tweets are nothing but astrological predictions (Jana's a Pisces, in case you're wondering).

In fact, just about the only non-astrology tweet we found was a pic of her looking hot and sweaty and a cryptic comment underneath that read, "I either just got FUCKED real good or played drums with hot girls. Take a guess."

We'll go with the DRUMS option.

Anyway, let's backtrack a little. Jana got into nude modelling when she turned 18, posing for the likes of *Playboy*.

"There was something about the mag that was really cool," she said in an old interview we eventually dug up.

She entered the wonderful world of hard-core porn in 2006: "I really wanted to do XXX, but I wanted to do it on my own terms. I didn't just jump into it."

'I REALLY WANTED TO DO PORN'

However, once she jumped she LEAPT HIGH, landing roles in hundreds of boner-causing blockbusters, from *Best Of Juicy Spreads 2* (2006) to her latest effort *Lesbian Sextivities*.

It's not all furious fingering and fisting for Jana, who likes to relax by sleeping ("There's nothing better), surfing ("I don't work out, but I surf…it's pretty much the only sport I do") and listening to music ("I'm into a lot of 80s stuff. I like early punk and a lot of girl singers").

So that's Jana's story as best as we can tell. As for why she's rubbing strawberries all over her nether-bits in these pics…we have NO FUCKING IDEA.

LOVE IN A VACUUM

SEALED WITH A KISS

Shrink-wrapped couples in world's weirdest wedding pics!

WHEN couples hire **Hal Kawaguchi** as their wedding photographer, they don't get traditional post-vow snaps.

Instead, the eccentric Japanese shutterbug makes them strip nude, puts them inside a plastic bag and sucks out all the air.

Once the couple's been vacuum-sealed, Hal has only 10 seconds to take the perfect shot while the lovers hold their breath and TRY NOT TO SUFFOCATE.

But good old Hal's aware of the dangers.

"I have an assistant ready to open the bag if there's an emergency," he explains, "and an oxygen sprayer and gel to cool people off if anyone starts feeling sick."

That's great to know.

The shutterbug used to enjoy snapping couples in small, cramped spaces before hitting on his "intense" idea in 2009, probably after seeing a pack of bacon in his local Coles.

He says during the shoot the couples "draw closer until they finally transform into a single being".

Surprisingly, despite the RISK OF DEATH, Hal gets plenty of requests for wedding portraits.

"Looking at these vacuum-sealed packs of love, we can imagine a more peaceful world," he says creepily.

If that means we have to be cramped and can't breathe, then stick that peaceful world – and your camera – up your arse!

NOT ALRIGHT, STILL

Lily Allen's off the wagon and off her tits!

THERE are a couple of facets to **Lily Allen**. There's the annoying, chipmunk-voiced, pop-singing twerp whose records – like the mega-huge *Alright, Still* (2006) are kinda like having a mosquito stuck in your ear.

Then there's the annoying, chipmunk-voiced, pop-singing twerp who fancies herself as a bit of a ROCK STAR and gets hammered on booze and drugs in the VIP sections at music festivals and has to be carted off by paramedics to the lying-down tent for a whiff of oxygen. Take your pick.

Lil's latest public face-plant happened recently at London's Notting Hill Carnival, where she went all wobbly-legged and green around the gills after glugging from a bottle of Jack Daniels and necking a couple of cans of cider.

Good thing she was in the cool people's section, behind the DJ's desk, 'cos next thing you know she hit the asphalt like A DROPPED PIE.

She wound up being placed over the shoulder of her boyfriend, some heavy hitter called MC Meridian Dan, who presumably carted her off and chucked her in the back of his rusty Corolla to sober up.

Sure, it was no Keith Richards-class performance, and we hate to put shit on anybody just 'cos they can't handle the pace and get a bit giddy. But since she's always bragged she's a contender in the party-hearty stakes, it stands to reason she should be able to take an honest critique of her performance.

Y'know, put up or shut up, Lil. Go hard or stay at home.

After all, it's only a year ago that she did a face-first forward-roll-with-pike into the turf at the Glastonbury Festival, with one bystander declaring, "She was out of it, she didn't know where she was. Her friends were saying, 'You all right?' and trying to give her water. Her eyes were rolling and her chin was moving from side to side, chewing constantly."

Life of the party, eh? Sounds like ya can't take her anywhere, except back to apologise.

Once again, though, because she was in the VIP corral, she got a ride in a golf cart to the nice tent with the folding cots and the oxygen tanks.

Given her past heart-felt and honest admissions to the press of her long-term drug use you'd think Ms Allen would have a bit more stamina.

After all, she reckons she gave the COCAINE AND HORSE TRANK a bit of a hammering back in the day, and actually started taking the ol' cuddles 'n' hugs when she was only 13 years old.

'SHE HIT THE ASPHALT LIKE A DROPPED PIE'

Perhaps that's the problem – maybe she's just too friggin' old now and can't handle it anymore and her days as a perky-titted, bum-wiggling pop star are coming to an end.

"There's nothing I would hate more than walking into a room and for guys to see me as a SEX OBJECT. I'm just not interested in that," she said a few years ago.

Well, Lil, just keep getting tanked and falling over and you'll have no worries on that score.

Take it to the bank

A BLOKE walked into a bank and joined a long queue. Finally, he made it to a teller and asked for an appointment with the bank's manager.

The teller apologised and said, "Sadly, the bank manager passed away last week."

The man thanked her and rejoined the still lengthy queue. Once he reached a second teller, he requested a meeting with the bank manager.

"Sir, I'm sorry, but the bank manager died last week."

The man thanked him and joined the long queue yet again, eventually putting the same question to the third teller.

The teller protested, "But I just overheard my two colleagues explain to you that the bank manager has died!"

"I know," the man grinned, "but I just like hearing good news again and again."

Devil made me do it

NOT many people know it, but the Devil used to wear a wig. It was a closely guarded secret for years and even some of his closest friends had no idea 'cos it was a remarkably good fit.

However, down in the world of fire and brimstone one minor demon found out and decided to play a practical joke.

One night, he sneaked past the guardian demons, crept into the Devil's bed chamber, stole the wig and fucked off.

The Devil was furious when he discovered his wig was gone.

He immediately summoned his demons and demanded to know which of them had allowed a thief to break into his sleeping quarters. Nobody owned up, which made him madder still.

The Devil called a general meeting of the entire underworld, ordering everyone to attend.

The meeting took place in a giant cavern and, as he stepped up to speak, there were stifled giggles from the audience as people saw for the first time that their esteemed leader was follically challenged.

As the giggling rapidly turned into peals of laughter, the Devil roared impatiently, "Be quiet!"

A deathly silence descended on the suddenly terrified crowd.

"Whoever stole my property last night," he bellowed, jabbing his finger angrily, "had better return it at once! Or else there'll be Hell toupee!"

Big bucks

BROWSING around a JB Hi-Fi store one afternoon, a man spotted they were selling old Disney titles.

Among them was the animated classic *Bambi*, but there was no price on the DVD.

He went up to the sales assistant and asked, "How much is *Bambi*?"

"It's $25, sir."

The man thought for a moment, then said, "That's a little dear."

The shoe fits

A MAN walked into a shoe shop and asked for a pair of size eight shoes.

The salesman asked, "Are you sure, sir? You look like a size 12 to me."

"Just bring me a size eight."

So the assistant fetched a pair of size eight shoes, and the man squeezed his feet into them with obvious discomfort. He then stood up in the shoes, and walked around the shop in great pain.

"Are you absolutely sure you want these shoes?" repeated the assistant.

"Listen" said the man, "I've lost my house to the bank, I live with my mother-in-law, my daughter ran off with my best friend and my son just told me he's gay. The only pleasure I have left is to come home at night and take my shoes off!"

Mouthing off

A NAÏVE young man plucked up the courage to visit a brothel in Sydney. There, a chick dragged him upstairs and wasted no time in taking off her panties.

Peering between her legs, the young man asked shyly, "What's that?"

"It's my lower mouth," said the prossie.

"What do you mean, your lower mouth?"

"Well, it's like a mouth. It's got a beard, it's got lips…"

"Has it got a tongue in it?"

The hooker pulled him towards her and purred, "Not yet!"

A HUSBAND suspects his wife is having an affair, but he has to go away for several days, so he decides to set a trap for her.

He puts a bowl of milk under the bed and from the bed springs he suspends a spoon.

The husband calibrates things so that her weight on the bed will not drop the spoon into the milk. But, if there is any more weight than that, the spoon will drop into the milk and he'll see it upon his return home.

He comes home several days later. The first thing he does is reach under the bed and retrieve the bowl. It's full of butter.

Hard to bear

TWO men go bear hunting. While one stays in the cabin, the other goes into the woods looking for a bear.

He soon finds a huge grizzly and fires his rifle, but only wounds the animal.

The enraged beast charges toward the hunter, so he drops his rifle and takes off for the cabin.

He runs pretty fast but the grizzly's a little faster and gains on him with every step.

Just as the hunter reaches the open cabin door, he stumbles and falls flat. Too close behind to stop, the bear trips over him and goes rolling into the cabin.

The hunter jumps up, slams shut the cabin door and yells to his friend inside, "You skin this bastard while I get another one!"

Court out

A LOSER can't get a date, so he goes to a bar and asks a handsome stud for advice.

The stud says, "It's simple. I just say, 'I'm a lawyer.'"

So the loser goes up to a pretty woman and asks her out. After she says no, he tells her it was probably a good thing 'cos he has a case early in the morning.

She says, "Oh, you're a lawyer?"

He says, "Yes, I am."

So they go to his place and start screwing. After a few minutes, the loser starts laughing.

When she asks what's so funny, he says, "I've only been a lawyer for 15 minutes, and I'm already screwing someone!"

‘GET ME A SUGAR DADDY & HE CAN PAY FOR IT ALL’

MICHELLE | 21

Gold Coast | QLD

You look like a typical Goldie gal.
“And I party like one, too. Bring on the party strip of Surfers Paradise and Broadie. Yeah!”

Tell us more, ya thrill-seeker.
“Once a month some friends and I will book out a hotel and party from 3pm till 3am. Only losers go home before that!”

What if you have to work the next day, Mickey?
“Fuck that – I avoid working if I can. Get me a sugar daddy and he can pay for it all.”

We’ll have to test out that theory. We like your boobs.
“Thanks – natural puppies are in and mine are the perfect shape and size. They feel amazing.”

Are they wobbly?
“They jiggle best when I’m on top and the man is pumping me nice and quick. Like, ‘Jiiigggllle…’”

PAMMIE LEE | 21 | DARWIN, NT

Keys TO Succe

Who's up for a 'Chopsticks' piano duet with Pammie Lee?

PHOTOS BY MET-ART

WORLD traveller **Pammie Lee** has taken to Australia like a sexy duck to water – and the feeling is mutual. We were swamped with emails and letters after her nude appearance in our mag late last year. It took us a while to convince the Russian-born babe to pose again 'cos she was too busy…learning how to PLAY THE PIANO!

YOU'VE been tinkling the ivories, huh?
"Yeah, my man has been teaching me how to play the piano. We have lessons every day. The trouble ▸

SS

FEMME FACTS

ORIGINALLY from chilly Moscow, our exotic model currently calls the Top End her home and the warmer climate seems to suit her: "I can't imagine going back to Russia anytime soon. I can spend every day in Darwin suntanning naked, playing the piano, then making love to my boyfriend. Why would I ever want to leave?"

is it's slow going because we keep getting… well, let's just say we get DISTRACTED."

Distracted in what way, Pammie Lee?

"He'll be sitting on the stool next to me, playing some Bach or Barry Manilow song…and I'll suddenly get the urge to stick my tongue in his ear – or reach over and squeeze his penis."

Haha! You naughty person.

"He's no better. I'll be practising *Chopsticks* or *Frère Jacques* and he'll suddenly pop a boob out of my top and kiss the nipple. Or ease a finger into my snatch and diddle my clit."

What happens then?

"Well, it's lesson over for the day, isn't it? I'll unbutton his fly, dive on top of him and ride his stiff LOVE-STICK. Or he'll knead and suck my breasts before dropping between my legs to eat my hairy muff. And then it's time for some long, languid shagging."

What's it like rooting on a piano?

"It's uncomfortable at times but also really amazing. We make all kinds of interesting sounds as my man fucks my pussy and my butt keeps bouncing up and down on the piano keys."

You should record it and sell it on iTunes.

"That's not a bad idea. I'll have to suggest it to him. We could call it *Music To Screw By*."

'HE FUCKS ME ON THE PIANO WHILE MY BUTT BOUNCES ON THE KEYS'

UP UNTIL a year ago I could only pick up chicks in clubs… once in a blue moon. Even if I saw a real looker in the street, I lacked the guts to say g'day.

Dad changed all that for me after we sat down and discussed the fairer sex over a few beers. He reckoned they were more likely to say yes to a bloke in daylight hours because they'd think he was brave. And chicks admire BRAVERY.

I tested his theory one day at a coffee shop in Byron Bay. I got talking to a Yank backpacker named Amy and the convo flowed freely.

"Let me know if you're ever on the Goldie and I'll play tour guide," I said before I paid for both of our coffees like a gentleman and left.

Back home and a week later I got a text from Amy saying she was staying in Surfers Paradise if I wanted to meet up. I showed her around town and gave no impression I wanted to get into her pants. That turned out to be the right approach as it drove Amy MAD!

AMERICAN PIE

"Why aren't you hitting on me?!" she finally demanded. "We're both single and I've tried to make it obvious that I'm VERY AVAILABLE."

"Um, I'm just being polite," I replied. "I'm interested in taking things further, too."

We went for beers and some of those spicy chicken wings. After the third schooner, we were swapping spit and groping each other at the table.

> 'WE SWAPPED SPIT AND GROPED AT THE TABLE'

One of the waiters eventually asked us to leave.

Dessert was a generous serving of PUSSY PIE back at my apartment. Amy was a knockout naked and her hefty D cups bore RIPPER TAN LINES that made me feel like I was in an 80s porno!

"Fuck me! Fuck me hard!" the Seppo spunk cried as I pumped her freshly shaven pussy for all it was worth. Her jugs jiggled as we rocked the double bed until it threatened to break.

Amy's now staying at my place until her visa runs out. Thanks heaps, Dad, for those words of wisdom!

CAM ON OVER

I DISCOVERED random camming after a gal pal told me she uses it every week. It's a pretty fun way to get off with someone, then log off before things get awkward.

But when I was camming with a fellow Brisbanite, we decided to go from virtual to reality where we could finger each other INSTEAD!

I'll admit I was nervous when I opened the door to Claire, but we soon picked up where we'd paused, heading straight for the bedroom.

I was wet again in seconds as we manoeuvred into a 69er and ate each other out. She was great at oral and tongued my clit until it was big and THROBBING. She whipped out a vibe from her bag and expertly made me cum with it.

Next, it was my turn to pleasure Claire. I lay her on her back and pushed the sex toy against her sensitive clit, fingering her with two digits until she had a wild orgasm.

'CLAIRE TONGUED MY CLIT UNTIL IT THROBBED'

We were pretty exhausted by this stage. But when Claire suggested we log back on and give some random chick a show, it was an idea too horny to resist.

We didn't manage to find another Brisbane local to join us in person, but we made a surprised stranger very happy!

INNER-CITY TITTY

I BOOKED a hotel room in Newtown and used it as my base while enjoying the sights and sounds of Sydney.

Come Saturday night I was horny as, so I headed out to find a randy lass up for some CASUAL ROOTING. Around 2am I thought all was lost, but when the female bartender got flirty, I realised what I'd been after was RIGHT THERE all along!

"You'll be knocking off soon, hey?" I asked, trying not to sound too pissed.

"Yeah, but I won't sleep till 5am," replied the short, cute, tattooed babe. "I'm always wired after weekend shifts."

"Come back to mine then," I smiled. "We can both unwind with a bottle of wine."

'WE WERE GOING HARD AT IT DOGGY STYLE'

She looked me up and down before shrugging and agreeing. She knew I was seeking more than a drinking buddy. Back at the hotel, she was all over me.

"I saw you trying to chat up those other women," the hottie teased, while toying with my cock in her hand. "You almost missed out on this."

With that, my eight-inch pork sabre disappeared DOWN HER GULLET and stayed there for ages. She then pulled it out in one clean motion like an expert sword swallower.

The deep-throating didn't last long as I was keen to fuck my new friend.

We were going hard at it doggy style when I realised I didn't even know her name.

So I kinda mumbled under my breath, "I'm gonna come …er, maaaaaaate!"

And I did, all over her back.

We drank the bottle of wine eventually, but not before the spunky little bartender and I shagged ourselves silly!

STICKY WEDDING DATE

THEY say singles are likely to pick up at a wedding – and they're RIGHT. All of my mates are either married or not far off, so I had zero competition at Simon's wedding.

I spotted Vanessa while the happy couple exchanged their marital vows. She was a friend of a friend of the bride, as I learnt when we were introduced at the reception.

It was easy to make Ness laugh with cheeky comments like, "The good thing about weddings is I can get YOU drinks all night and it doesn't cost ME a thing!"

She told me she loved men with a sense of humour, so I channelled my inner Jerry Seinfeld until we were both quite hammered, at which point she revealed what she REALLY wanted.

"This reception's slowing down. It might be time to take the party elsewhere," she said with a wicked grin.

We slipped out of the reception and across the road to the park, where we found a dark, secluded spot among the trees.

Vanessa's chebs were milky white in the moonlight. They were also FAKE AS FUCK, but they felt great when I fondled them.

"Do you have a condom?" she hissed.

"Sorry, I'd been planning on swinging by the chemist…"

"Well, I'm not getting pregnant – you'll just have to fuck me up the arse."

'I GUIDED MY COCK UP HER WAITING CLACKER'

I didn't need to be asked twice! I spat on my old fella, gave her date A GENTLE FINGERING, then guided my cock up her waiting clacker.

After five minutes we exploded together, cleaned ourselves up and headed back to the reception.

They also say you're likely to meet your future spouse at weddings.

I'm not sure about that yet, but if Ness's casual attitude to backdoor fun is anything to go by, get that RING on my finger! Or my COCK!
